The Professor Frank A Beall family was honored as the 2017 Distinguished Alumni Family at the Homecoming Game on October 13. Prof. Beall's children Mildred, Laura, Hazel and Dr. J Frank Beall all graduated with honors from NHS. Dr. Beall's children Jim, John, and Missy were also NHS honor grads, along with Jim's wife Molly Cloudy. Their children Lisa, James, Bill, and Charles were also honor grads of NHS and have all continued their family's legacy of exceptional academic work and careers. Congratulations to the Bealls.

### NHSAA Announces 2017 Distinguished Alumni

Dr. Ronda Scarbrough Reyna (NHS 1984) was honored on September 15 as a Distinguished Alumnus. Dr. Reyna remembers fondly her days as a member of the NHS French Club and Flag Corps. She cited many favorite teachers who helped encourage her during her school days, and several of them stood with her as she was honored. She currently works in the Cypress Fairbanks ISD Psychological Services department.

Gray Gregson (NHS 1969) was honored as a Distinguished Alumnus on September 22. Musically gifted, Gray was named Most Talented while at NHS and enjoyed sports, choir, talent shows, and the Thespian productions. His favorite role was Will Parker in *Oklahoma* during his junior year at NHS. He has since had a very successful career in the music industry, playing in bands and as a solo artist, writing hundreds of songs, and producing records for other artists. Gray lives in San Marcos and enjoyed a visit with the NHS choir students and the Alumni Office, as well as a solo performance on September 23 at the Liberty Bell.

Congratulations to Ronda and Gray.

If you have someone you would like to nominate as a Distinguished Alumnus please email Committee Chair Jan Barton at [janw99@earthlink.net](mailto:janw99@earthlink.net).
